

Registration Eligibility

Current Practice Requirements

- dental assisting (or other dental) education in the last 3 years
- Clinical Refresher in the last 3 years
- 900 dental assistant clinical practice hours in the last 3 years
- other current practice qualifications (substantial equivalence), such as NDAEB CPE in the last 3 years

If you do not already meet a Current Practice Requirement you will need to complete a Clinical Refresher or the NDAEB CPE to be eligible.

*Accredited by the Commission on Dental Accreditation of Canada

NDAEB - National Dental Assisting Examining Board

CPE - clinical practice evaluation

This information is a summary. See the Registration Policies and Intra-Oral Continuing Education Policies for details.
